Hello,

You, as a **TBC Concept Client,** have a special opportunity to purchase an apartment with full renovation and sea view at **Anagi Developent** new project in Batumi – **Sea Home** and enjoy **7% discount**. Renovation also includes kitchen furniture and appliances.

Premium class multifunctional residential complex **White Sails** is located in the most developing district of Batumi, in the first line of the Black Sea, at Lech and Maria Kachinsky Str. 5. The complex unites residential blocks and international hotels – Ibis Styles.

Sea Home is a boutique type multifunctional residential block, which comprises 108 apartments built by European standards, co-working space and international hotel Ibis Styles.

Sea Home Batumi offers apartment owners hotel type services for additional comfort.

Purchasing an apartment at the Sea Home Batumi is a great choice both for living or commercial purposes as for more convenience, you can entrust complex's management with the commercial management of your apartment.

The construction of Sea Home Batumi will be completed in December, 2021.

- Standard price per sq.m. – from $1362 (equivalent in GEL).
- **Special price** in case of full payment – **from $1267** (equivalent in GEL).

The offer is valid through November 1, 2020.
