Paragraph 12.3.3. of Article 12 be amended to read as follows:

12.3.3 If funds on a card are disposed (either through cash or non-cash payments) in a currency different from that of a card account, funds shall be debited from a card-holder’s account by conversion. Within the Bank’s Distribution Network conversion shall be carried out at the commercial rate set by the Bank at time of the transaction and outside the Distribution Network - at the rate set by Visa or MasterCard. For the purposes of this Agreement, the Bank’s Distribution Network means TBC Bank JSC and its Partner Banks (refer to the web-site: <http://www.tcbank.ge/web/ka/web/guest/fees-for-individuals> for the list of the Partner Banks). If the card transaction blocking amount does not correspond to the transaction amount, when performing the transaction there will be a negative balance in the corresponding currency account in the insufficient part of the amount, which shall be covered from the first priority currency account, but if there is no sufficient balance in this priority currency account, the negative balance shall be covered from the next preferred (priority) currency account. Conversion between different currency accounts shall be carried out at the commercial rate set by the Bank at the time of payment.
